**Our recommendations are in the:
Top 90% of all ThisNext Recommendations**

Web 'n Retail's "Top-10" Campaigns

ThisNext.com is social shopping network where members discover products based on recommendations. The site's traffic is ranked #993 of all sites on the web and 7,128 other sites *link in* to report on hot new products. ([Source; Quantcast.net](#))

www.ThisNext.com - "Here's how the site works: ThisNext's Mavens are "expert recommenders," trend spotters who scour the Web and share their insights about the latest and greatest products in different categories. They are trusted community leaders who put a great deal of value in their product choices." **Thisnext.com has a traffic rank of: 993. Estimated monthly traffic of 1.6 Million ([Quantcast.net](#)). Other sites that link to this site: [7,128 \(Alexa.com\)](#).**

Web 'n Retail is pleased to be aligned with ThisNext.com to spread the viral word about your releases and drive traffic to purchase them, to the website of your choice via our TOP 10 CD, DOWNLOAD & DVD Lists. Our recommendations are emailed directly to ThisNext's 1.6 Million monthly visitors', and included on members' log in pages for those interested in music. Along with the Top-10 sister site "[Taylor Spears Recommends](#)"; the lists are Viral Marketed to 100 Feed Services, Bookmark Sharing Services, Directories & News Aggregators, monthly. The blog URL has also been submitted to 68,000 Search Engines.
