

WE BLOG FOR YOU!

"In Web 'n Retail's first 2 days of blogging, we saw the highest traffic ever on our website."

- DJ Mark Starr

**Marketing/Advertising/Publicity
FOR YOUR TITLE, PRODUCT OR SERVICE ON:
FEED SERVICES...NEWS AGGREGATORS...
SYNDICATORS.....DIRECTORIES &
BOOKMARK SHARING SERVICES
(OR WE ARE HAPPY TO SIMPLY BLOG ON
TARGETED FORUMS IF YOU PREFER!)**

"According to the study, if 40 or more blog posts were made before an album's release, sales ending up being three to four times the average for both indie and major releases. If blog posts crossed 250, album sales rose to six times the average regardless of the Label."

- NYU Stern Study, August 2008

**We Post About Your Title, Product or Service with
Text, Videos, Audio and/or Images
and drive traffic and sales to the URL you choose**

**WE POST FOR YOU,

ONE EXCERPT FROM OUR 100 BLOG CAMPAIGN REPORT

www.buzz.yahoo.com The buzz can be about anything - a great story on a major news site, an extraordinary bit from an obscure site, an intriguing video, or a fantastic blog that shouldn't be missed.
(Alexa.com) Yahoo.com has a traffic rank of: 1. Other sites that link

to this site: [112,634](#) . (Quantcast.net) Estimated 3.2M monthly traffic. [CLICK HERE TO SEE OUR buzz.yahoo.com POST FOR OUR \(5x\) CURRENT CLIENT'S TITLE \(SINGLE DOWNLOAD\)](#)

Here's a study that confirms the reach of *just* the Bookmark Sharing services we post on:

Today, social bookmark sharing service [ShareThis](#) released [a report](#) showing the relative percentages that its users share articles to various social web sites.

If you ever wanted to know how people are storing or sharing content on the web, this graph says this all. It shows a list of most popular social services that are used by netizens to share or save web pages.
